

## Project Navajo Christmas 2024

BY REV. JIM YATES, ACTION MISSIONS DIRECTOR

This is the 22nd year of Action Mission’s Project Navajo Christmas and Toy Giveaway. I believe this has been the best project so far! We were able to give new toys to 720 Navajo children in 10 different outreaches throughout the Navajo Nation.

We praise God to be able to see the fruit of the investment made over the years. Some of the young people that received a toy in the early years are now Pastors! Praise the Lord! Although God has called us to many works on the Navajo Reservation, PNC is unique as the mission is to empower the local church and Pastor. God has placed a vision on our hearts to connect a lost and oppressed people with the church to hear the gospel and be disciplined long after we go back home. We are so thankful for the giving, support, and prayers of everyone through the years. The cost is great, but the payoff is eternal! A special thank you goes out to Sister Elizabeth Majors, our Global Missions Director, who again organized a missions team to serve on the second round of projects and everyone who took part in the project. Whether you gave a toy, or a dollar, if you prayed, or traveled as part of the team you were a crucial part of Kingdom work on the Navajo Nation. We are excited to see the fruit of such labor in the years to come!
